Let your friends and other junior smallbore rifle shooters you may know about this camp. Please feel free to forward copies of all the enclosed materials, and give them to other persons who might wish to attend this smallbore rifle camp.

Camp Activities for 2017 will be divided between 50 & 100 yd. smallbore rifle shooting on Petrarca Range, Camp Perry, and 10 meter Air Rifle shooting on the CMP Gary Anderson Air Rifle Range, Camp Perry. All campers will spend time at both ranges and will practice and compete in both smallbore and air rifle. Camp direction is to give shooters the boost required to improve scores that may lead to collegiate shooting. Both Smallbore & International Standing Air Rifle are priorities but all campers will attempt some 3P air practice or matches as well.
